Egg to Decorate!

START

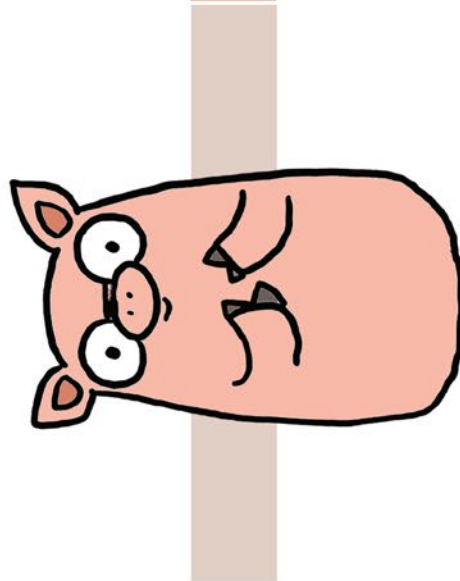

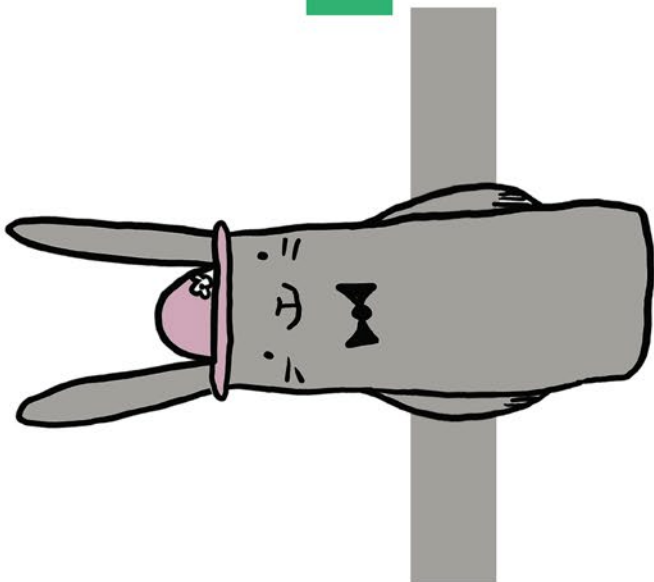

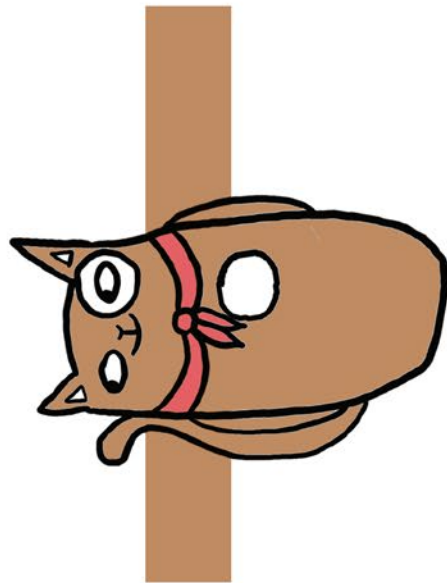

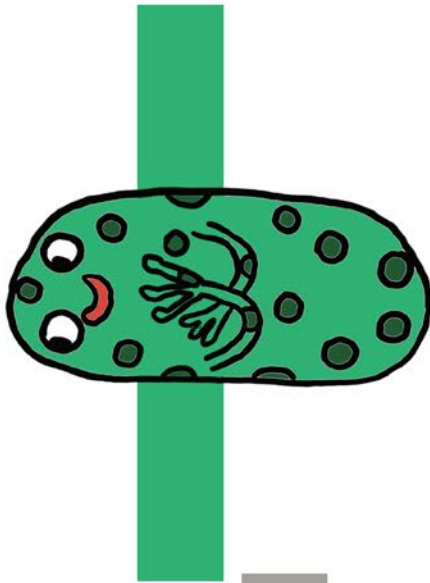

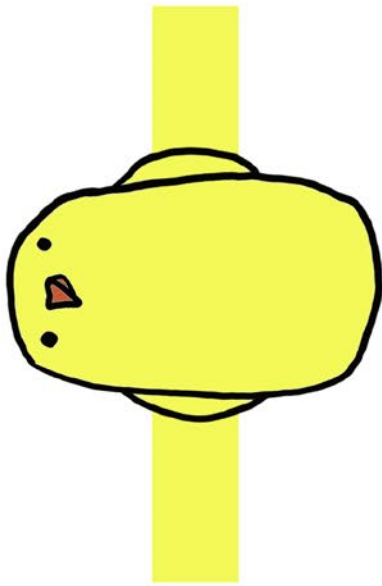

END!

FINGER PUPPETS

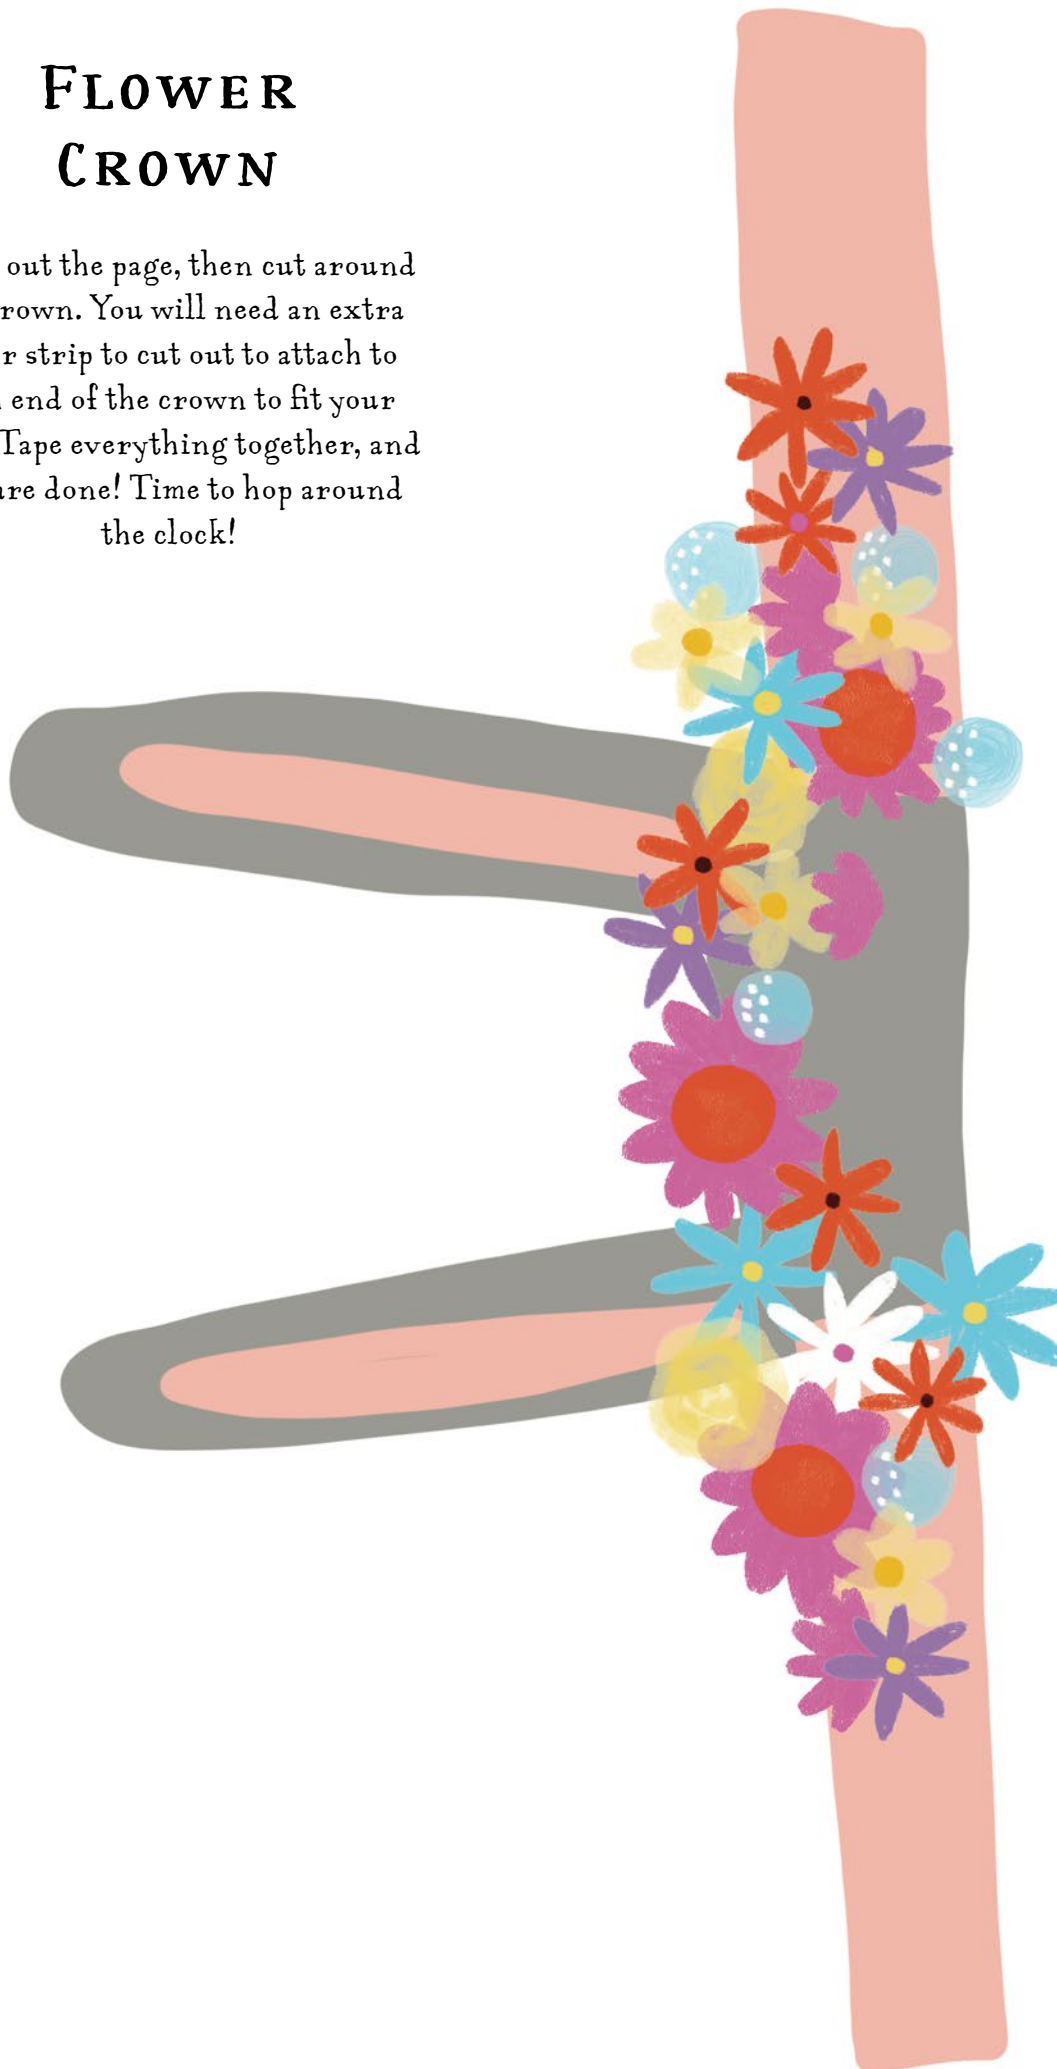

Print out the page, then cut around each character and their strips. Wind the strip backwards, and affix together with tape.

Each character can now fit on your finger as a little paper puppet!

FLOWER CROWN

Print out the page, then cut around the crown. You will need an extra paper strip to cut out to attach to each end of the crown to fit your head. Tape everything together, and you are done! Time to hop around the clock!

EGG DECORATION

Print out the page, and using
paints/pens/pencils or collage,
decorate your egg. We would love
to see your creations! If you share
on instagram, please tag
